Kingsway Regional High School

Swedesboro, New Jersey

Foreword

Our Senior year has all too quickly become history in our lives. Fondly, we pause to review the past and to preview the future.

We have reached the end of a journey. Our community schools were the paths through which we ventured from childhood to teens. Kingsway Regional High School was the bridge which spanned those all important teenage years . . . now we, having emerged as young adults, anxiously look to the awaiting world.

As a final momento of our formative years, through which our communities have been an impressionable environment, we present the 1966 *Lancer*. May all who read it gain an appreciation of community spirit.

. . . for guidance, showing us the way through difficulty or distress; proving itself in lives of purpose; directing us through a concern for our welfare . . .

. . . for inspiration, instilling within us the highest ideals; strengthening us with spiritual enrichment, creating in us great ambitions . . .

. . . for encouragement, never failing in support of our cause, never loosing faith in our potential, never ceasing to urge us on to higher achievements . . .

. . . for these and for the numerous accompanying influences on our young lives, we dedicate our yearbook, the 1966 *Lancer,* to those most responsible for our success, our communities.

Harold A. Eaton, Jr.

Congratulations upon the completion of a successful and full year of school experiences! You have made this one of the best years in the history of Kingsway Regional High School.

You should be very proud. The ability to succeed in the pursuit of happiness is not innate in the human being but must be acquired through long and patient study. If you'll take everything your schools have to offer—mentally, morally, physically, and if, in return, you'll give everything you've got—the best that's in you—you'll be trained and conditioned to play the game of life to a successful and happy conclusion.

The sweetest sound to the human ear is the "Well done, good and faithful servant," which is said to those who have used their talents fully as they walked along Life's Highway. I wish you success and God speed in your chosen endeavor.

Sincerely,

Harold A. Eaton, Jr.

Superintendent
Robert S. Costill

If I could give the members of the Class of 1966 three things which could help to guarantee success in life, they would be as follows:

(1) The desire and ability to create—to do something original—something no one else has ever done before.

(2) The quality of persistence, the urge to keep going until the job is done.

(3) The quality of dissatisfaction—the feeling that if you had it to do over again you could do an even better job.

I have been very proud of the Class of 1966 and fully expect to hear great things of you. My best wishes go with you in whatever your choices of endeavor.

THAT BLISSFUL CHRISTMAS DAY

The story of Christmas unfolds.
As each little snowflake falls.
The blinding whiteness, tis sure
innocence.
The radiant brilliance, tis sure
God-sent.

The silver reflection against the
snow, tis like the Bethlehem
Star.
The serenity of such a scene,
tis beauty none can mar.
The mystic echoes of the wind,
tis like the angels singing.
The landscape wreathed in
splendor, tis goodness pre-

The glitter and gleam of each
laced crystal, tis like the

The countless throng of icy pel-

Thus stood the world, that bliss-

A survey of last year's graduates, Class of 1965, shows 54% enrolled in colleges and schools. Of the Class of 1965, 40% are in schools of higher learning.

Juniors have received the results of the PSAT and are currently being interviewed individually to interpret the results and lay plans for future educational experiences.

Representatives from Salem Technical Institute, Brandywine Junior College, Electronics Training Center, and Rutgers have visited the school to talk with interested juniors and seniors.

These four qualities are the basis by which students are selected for membership in the National Honor Society. The honorary club's purpose is to pay recognition to outstanding students. Members are expected to maintain the high ideals synonomous of the organization.

The inspirational induction service is held annually in early spring. Club admission is restricted to qualified sophomores, juniors and seniors.

The National Honor Society has sponsored several extracurricular activities throughout the year. Fund-raising programs included a dance and paper drive, the proceeds of which were used as a scholarship for a worthy senior. The Society conducted food drives for a needy family at Christmas and Easter. In addition, N. H. S. members participated in the High School Bowl at Clayton High School.

Cross Country

The first Cross Country season in the history of Kingsway Regional High School started when twelve candidates reported to Coach Marks. With their meet against Merchantville, the season took on a gloomy outlook when the Silver Knights swept to victory despite the superlative running of Steve Miller. The following week, our two Steves—Miller and Owen—led us to a satisfying victory over arch-rival, Pitman. Successive defeats at the hands of Salem and Glassboro brought more gloomy days to the Marksmen. However, great victories by lop-sided scores over Delsea and Washintgon Township, and a close victory over Group 3 power—Paulsboro—gave a happy conclusion to the first regular Cross Country season.

In the Gloucester County Championship Meet, Kingsway runners managed to edge out Paulsboro, West Deptford, Pitman, Delsea, and the Washington Township harriers.

The girls' varsity hockey team, although filled with the great Kingsway spirit, suffered defeat in the season's first game with Pennsville, 2-1, but bounded back to defeat Salem 2-0. After losing to Pitman, the Dragonettes were able to recover and defeat Delsea. The lassies from Woodstown and Clayton added two additional defeats to the season record. Despite these losses, the hard-fighting Kingsway girls managed to end the season by tying Washington Township and defeating the lady Devils from Pennsgrove.

Senior co-captain, Bette Anne Reed, led the offensive unit while co-captain Anita Rose Sarbello, and the remaining seniors Geneva Fisher, Kathleen Fox, Cynthia Gaunt, and Joyce Robertson paced the Dragonettes' defense. Junior Brenda Money contributed eight goals and gained fame by becoming the leading scorer in the Tri-County League. Keep up the good work, Brenda!

Other juniors who show promise for next year's squad include Jo Anne Bundens, Linda Kakusi, and Eileen Headley. Sophomore Jeanne Kirschling also saw plenty of varsity action.

The Junior Varsity squad had a winning season as it showed no mercy on Salem, Delsea, Woodstown and Pennsgrove. However, they suffered three defeats at the hands of Pennsville, Pitman and Washington Township.

Leading the future varsity in goals scored were Joanne Gardiner with six, Jean Robertson with four, and Jo Anne Chapman with two. With these remaining juniors, sophomores, and freshmen, Coach Audrey Thomas anticipates a successful season next year.

FOOTBALL

The 1965 Kingsway Regional High School Football season began on September 2, under the lights at Clayton. Plagued by a rain-soaked field, the Dragon offense got off to a slow start against a scrappy Clipper squad. Down at halftime by 6-0, the Dragon's returned to the field in the second half determined to win. Bill Hunter, after completing an eighteen yard aerial to Larry Zane, handed off to Jim Fauntleroy who, with a number of downfield blocks, raced fifty-six yards off tackle to score. The Dragon touchdown was capped by Bernie Waller's sweep for the extra point, enabling Kingsway to come out on top of a 7-6 score.

The following Saturday found the Dragons playing host to the Panthers of Pitman. Although Kingsway outplayed Pitman, the offense lacked scoring power. Despite a brilliant defensive effort, two long touchdown runs carried the Dragons' opponents to a 12-0 victory.

The Pennsville Eagles capitalized on Dragon mistakes the following week to hand Kingsway a 15-7 loss on the winners' field. The defense again played an outstanding game, but the offense still showed flaws. The only bright spot was a spectacular twenty-six yard touchdown grab by Larry Zane.

The next game found Kingsway journeying to Salem with high hopes of capturing a victory. The fired-up Rams quickly changed Kingsway's thinking, however, by taking an early lead and holding it to defeat the Dragons 20-13. The Dragons, struggling to conquer the Salemites, almost managed to come back in the fourth quarter, but their hopes were vanquished by a fumble near the winner's goal line with only seconds remaining in the game. Jim Fauntleroy led the Dragon offense with two hard-earned touchdown runs covering one and fourteen yards respectively.

A near upset was in the offing when Gloucester visited the Dragons' Den. The league-leading Lions were completely dominated by the rejuvenated Dragons. The low-scoring ability of the offensive Kingsway unit could only net one score, a four yard run by Jim Fauntleroy, although

he Dragons controlled the pigskin most of the sixty minutes. The ions, capitalizing on Dragon errors, were able to score two touch-owns, but the Dragon defense subdued a dangerous passing threat which hould have resulted in more than a 6-point win.

The Minutemen of Washington Township surprised everyone, especially he Dragons, when they conquered the hustling Alston-men with an 18-12 pset. Senior Larry Zane was "Mr. Touchdown" as he accounted for oth Dragon scores—a thirty-five yarder from Bill Hunter and a thirty-ix yard pass from Jim Fauntleroy.

Another Sophomore, Steve Licciardello, provided the sole score for Kingsway when the Dragons succumbed to the Delsea Crusaders 19-6. Again, the defense of the Dragons continued to be their strong point.

The Kingsway losing streak was halted when the Woodstown Wol-erines came to town. The baseball-like score, 2-0 is indicative of the trong defense employed by both teams. The two-point safety was redited to defensive end, Herky Payne, when he blocked a Wolverine unt. Thus was gained the Dragons' second victory.

Season records were forgotten and victory was the only goal as Kingsway net Pennsgrove in their traditional Thanksgiving Day contest. When the Red Devils drew first blood in the second quarter, many were inclined to gree with the pre-game forecast. However, the Dragons soon proved the orecasters wrong with a spectacular thirty-one yard run. Herky Payne rovided the winning point with a three-yard sprint. The final score—Kingsway 7, Pennsgrove 6.

Although the season record of three wins, six losses was not a reditable one, the outstanding contributions of All Tri-County choices ames Burnight and James Ragonese and All South-Jersey Honorable Mention choices Harold Payne and Larry Zane will never be forgotten. Despite the losses of these players, Coach Alston is looking forward to he fine talents of this year's promising sophomores for the 1966 squad.

Girls' Basketball

The varsity Dragonettes gained a winning season by defeating Salem, Washington Township, Pennsville, Pitman, and Pennsgrove. However, two heart-breakers were lost to Clayton and Woodstown.

One of the most exciting games of the season was against Pitman, a team which the girls had never beaten. Confident of winning, the Kingsway lassies won by a score of 36-32. The concluding minute of play clenched that unforgettable victory.

Our mighty team was led in offense by sophomore Jeanne Kirschling, who sored 116 points to place second in the Tri-County League, and senior Bette Anne Reed, who scored 95 points to place fourth in the league. Others contributing greatly to the scoring effort were seniors Maggie Penn and Barbara Morgan, junior Brenda Money, and sophomore Linda Bland. The defense was well-played by the junior trio of Bobbie Glass, Jo Ann Crispin, and Mary Matthews, all of whom helped significantly in many of the victories.

The co-operation among the members of the team certainly paid off as the girls captured second place honors in Tri-County.

Graduation will mean the loss of three seniors. Coach Thomas expects to fill the gap with the much-improved personnel from this year's junior varsity squad.

BASKETBALL

The 1965-66 Varsity Basketball Team gave its loyal fans (fondly referred to as "Reiger's Raiders") a good deal to cheer about winning 19 games, including the annual "Northern Gloucester County Christmas Tournament" and the Tri-County Jamboree. Third place in the Tri-County League behind Gloucester and Merchantville is the best finish to date for Kingsway basketballers.

Impressive victories for the Dragons included a record-setting 89-32 win over Pennsville, three big wins over Pitman, and an upset victory over Merchantville in the Tri-County Jamboree. The Dragons defeated Glassboro in the State Tournament Play only to lose to Ocean City in the second round.

Rated as number 11 in South Jersey, the Dragons also received many individual honors. Co-Captain Jack Kirschling received honors as: First Team All Tri-County, First Team All Gloucester County, First Team All South Jersey Group I, and All State Group I honorable mention. Co-Captain Jim Fauntleroy and senior Hal Payne also received All Gloucester County honors. Ed Johns and Tom Kirschling received honorable mention as All South Jersey Group I players and also All Gloucester County honors.

The record book was rewritten by the 65-66 cagers as the team scored 1,644 points, 400 more points than any other Kingsway team. Jack Kirschling set a new single game record of 41 points in one game against Clayton and scored at a record pace of 22.3 points per game for 529 points in one season. Hal Payne pulled down a record 214 rebounds in one season trailed closely by senior Tom Kirschling with 192 rebounds and an individual game high of 18 rebounds.

Not to be overlooked is the fine clutch-play of senior Gordon Shiveler against Woodbury and Salem, and the bench strength of Phil Wuest and Herb Knight led by senior Tom Schoener (M.V.B.W. award winner 65-66), Ken Shiveler's hustle, and Evans Sturdivant's rebounding and vocalizing.

The 1965-66 Dragons—long to be remembered—and a goal for every team to desire.

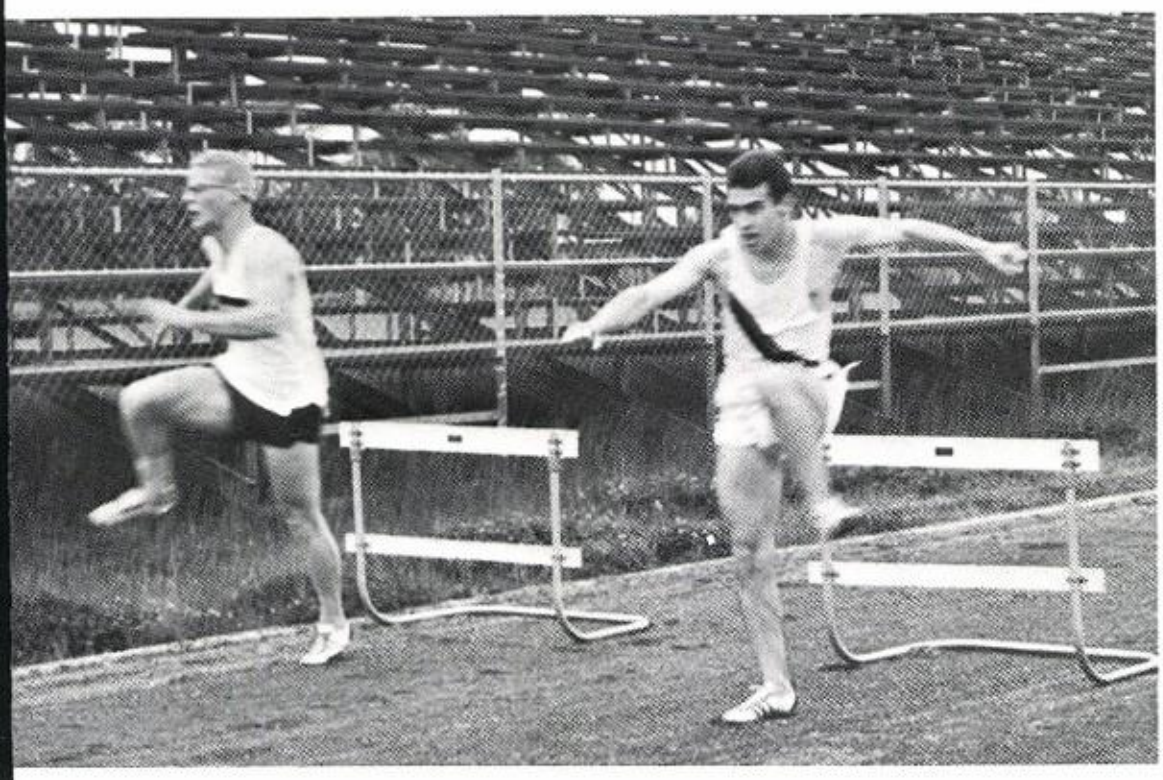
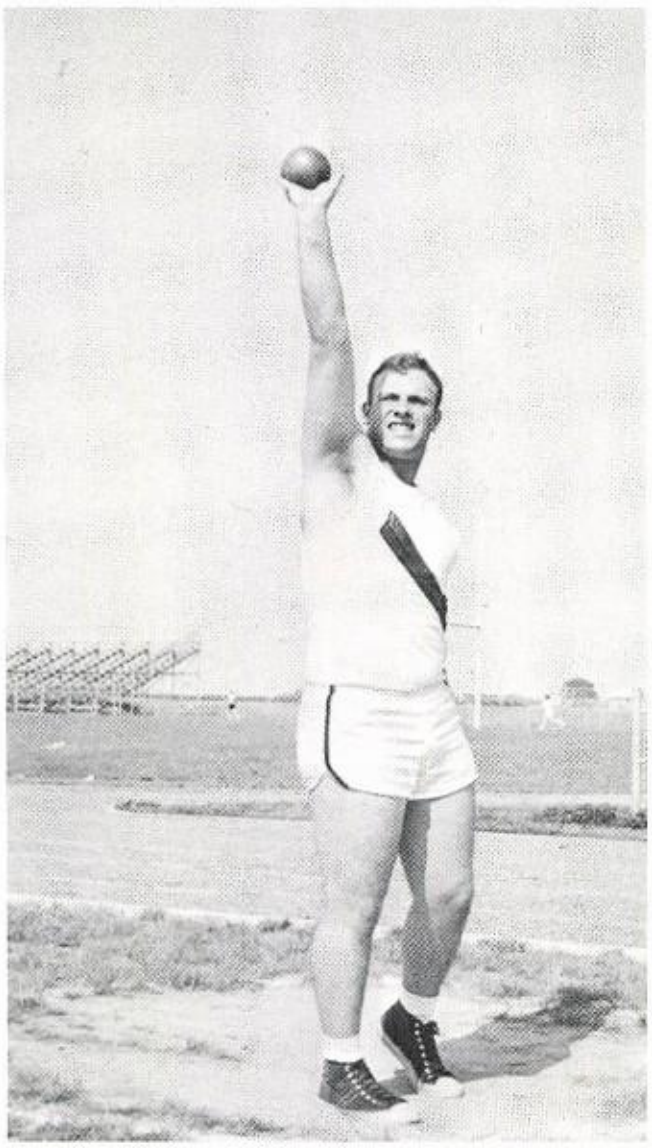
Group I Champs



Art shows the way!



Jim powers the shot

The 1966 track season found Kingsway bringing home its very first championship. On that never to be forgotten day in May, Kingsway journeyed to Middle Township where, behind the outstanding efforts of Ed Jones and Joe Diggs, we were able to emerge the South Jersey Group I champions.

At the beginning of the season our coach, Mr. Marks, stated that we would do fair in dual and tri-meets, but there would be some surprises in championship meets. And there were some surprises, for in addition to winning the South Jersey Championship, our team placed third out of a field of forty teams in the New Jersey State Championships, and made a remarkable showing at both the Gloucester and Tri-County championships.

Much of the success at these meets can be attributed to two boys—Ed Johns and Joe Diggs. Ed Johns, "the second fastest boy on the East Coast", not only holds three records for our school, but has left other records around the state. These records will remain for many years to come. Ed was undefeated in dual and tri-meets in his specialties, the hundred, two-twenty and long jump. The other half of the Dynamic Duo, Joe Diggs, was also undefeated in his specialty, the pole vault. His best effort came at the state meet when he leaped 12'6". Congratulations to these fine athletes.

A track season, however, does not consist of championship meets nor does a team rely solely upon two boys to come up with a winning season as our lads did. Boys like Jim Burnight, shot-putter, Steve Owen distance runner, Art Caccese hurdler-dash man, all helped us to victories over Pitman, Delesa and Clayton. Tom Robert's heaves in the discus, Moses Taylor's running, Stan Hunter's running, Tom Kirschling's leaps, and Joe Centurione's vaulting led us to success in meets with Washington Township and Gloucester.

The future is not dark despite the loss of such outstanding seniors. Our underclassmen supplied us with many fine performers. Steve Licciardello, Jim Bates, Charley DeVault, Tony Licciardello, Steve Miller, Daryl Perez, Lynn Gindhart, Ron Black, Russ Zappala, Jim Armstrong, Bill Hunter, Rich Fauntleroy, Ron Corsey, Ed Smith, Evans Sturdivant, Jack Kirschling, Dennis Martin, Richard Apgar, David Martin, Mike Grogan, Ted Brown, Henry Martin, and Mike Smith all return next year to give a rosy outlook to the track scene despite the loss of the Dynamic Duo, Ed Johns and Joe Diggs.

Founded originally as a meeting place for friends and citizens of Mickleton, the Little Red School House has provided many of the Class of '66 with unforgettable memories of the social events that have been held there.

We, the Graduates, feel certain that Dragons of the future will appreciate the facilities offered by this quaint building.

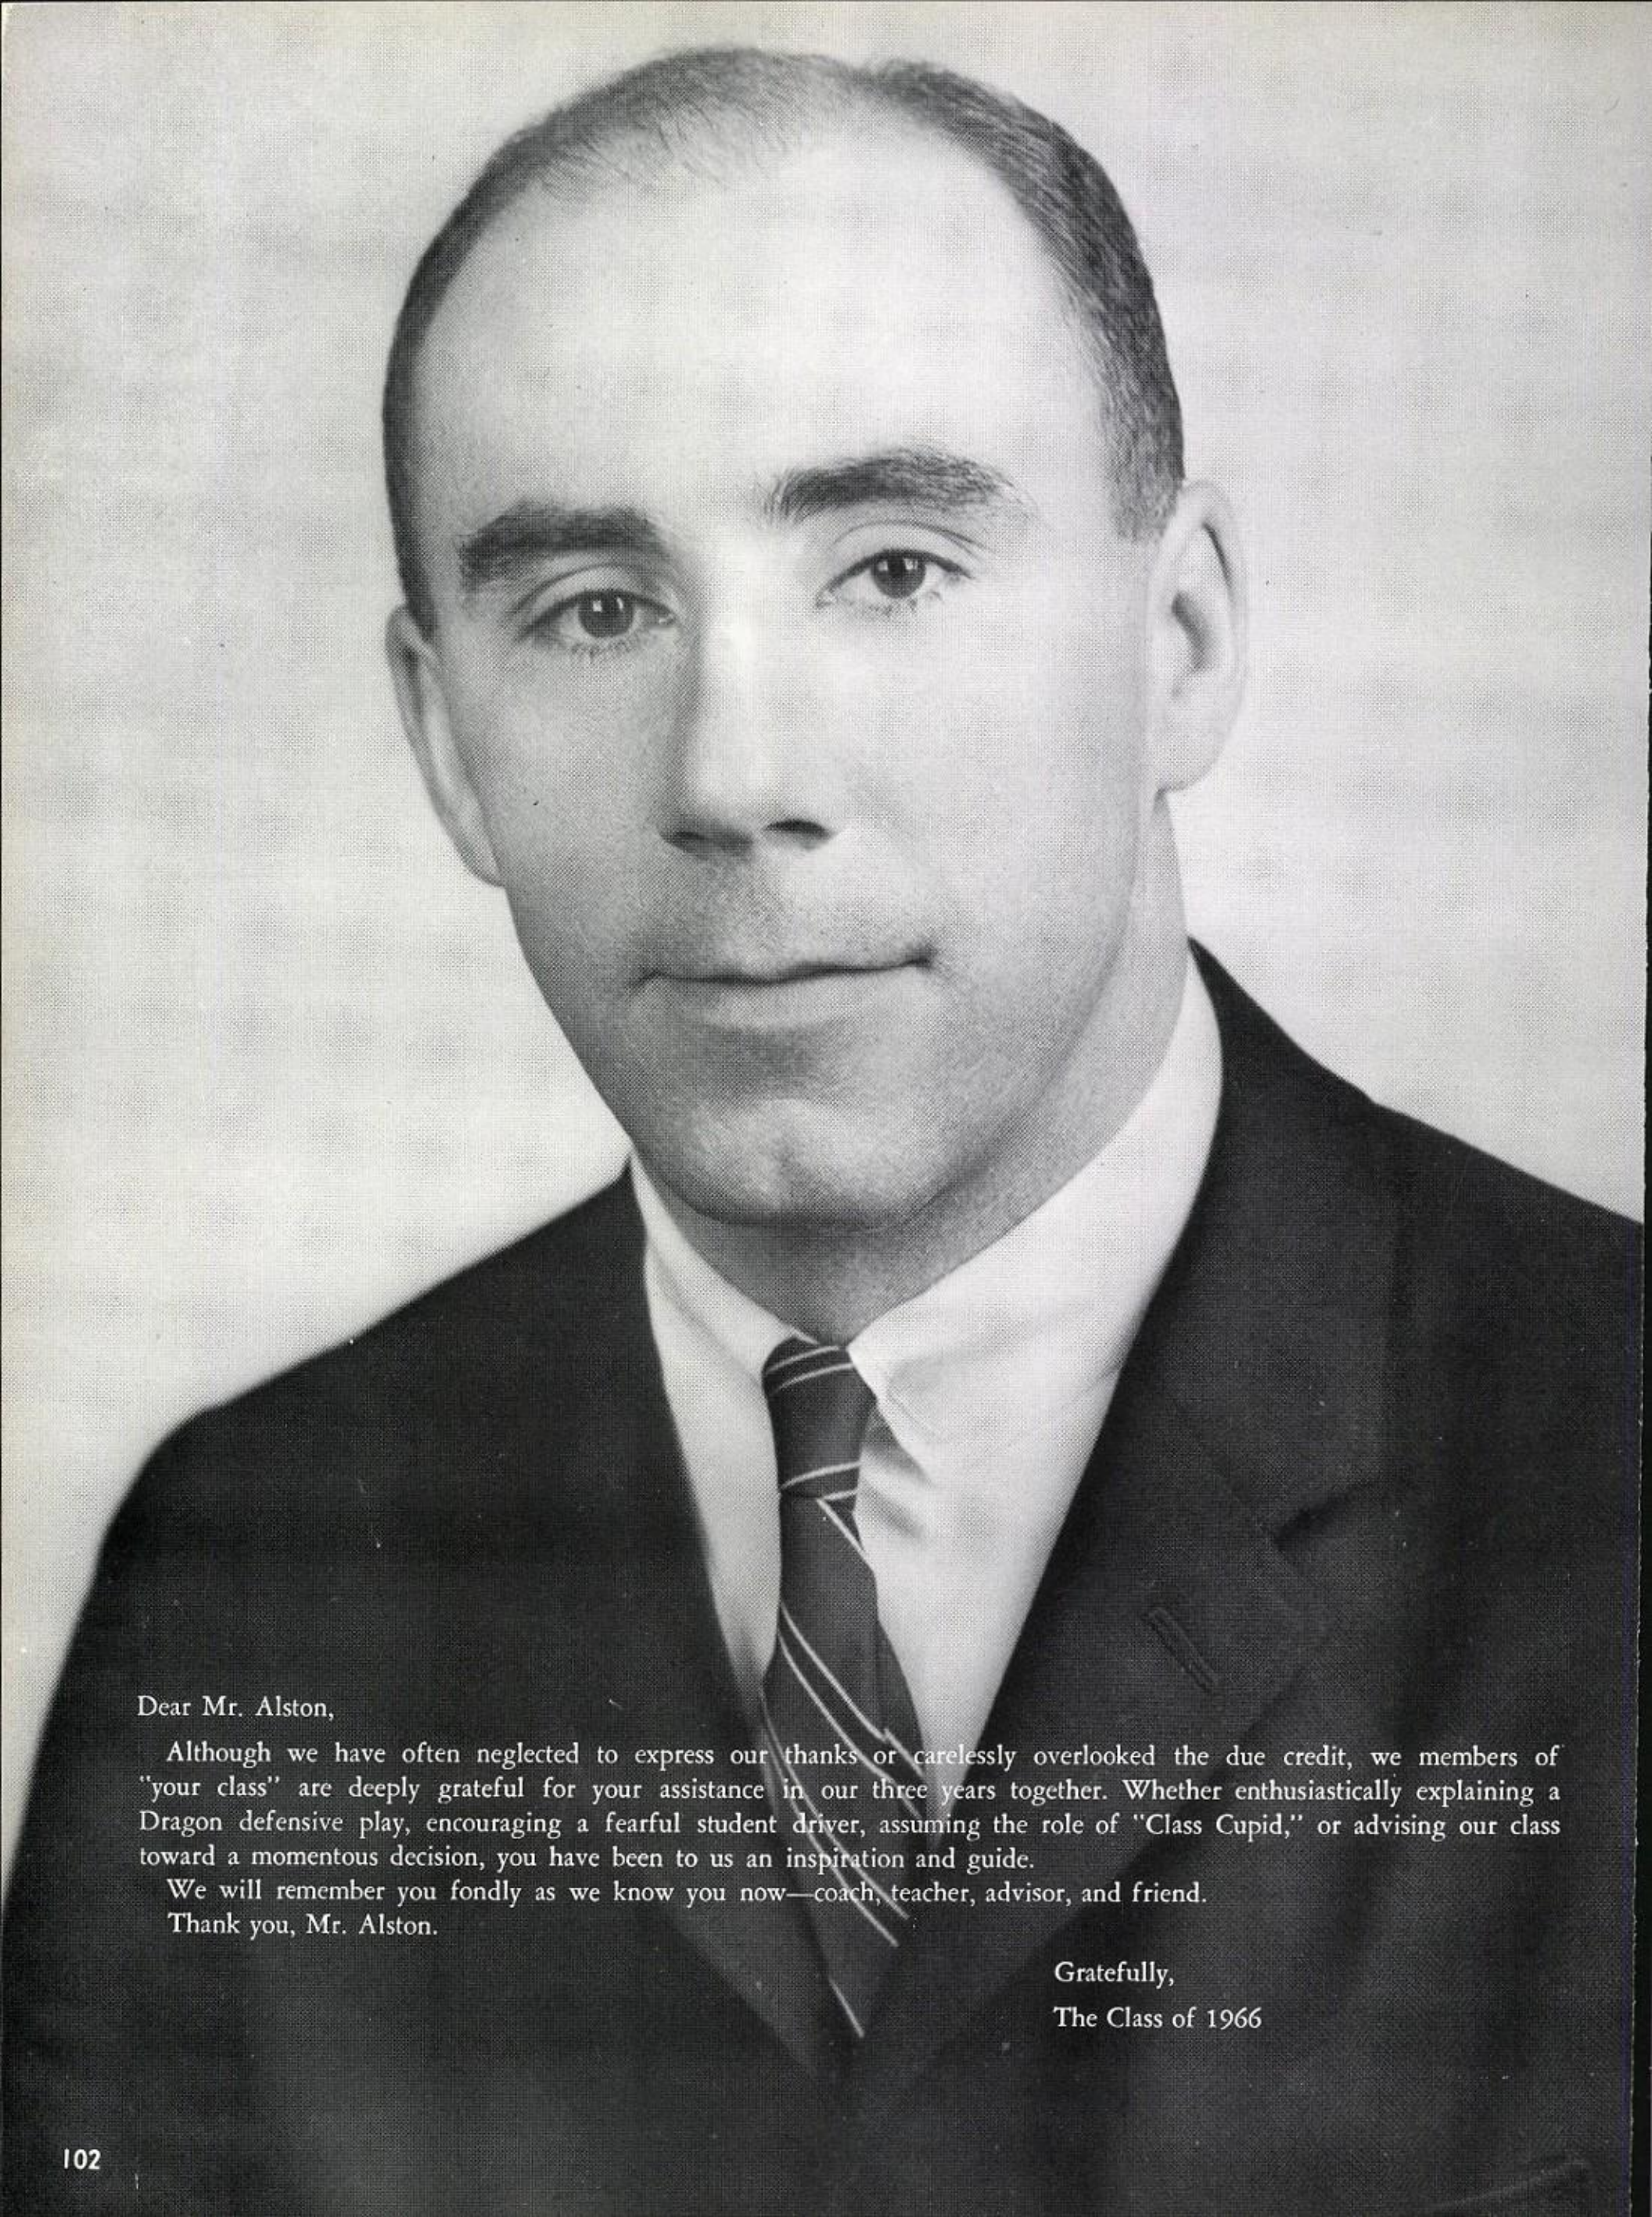
Attainers



Dear Mr. Alston,

Although we have often neglected to express our thanks or carelessly overlooked the due credit, we members of "your class" are deeply grateful for your assistance in our three years together. Whether enthusiastically explaining a Dragon defensive play, encouraging a fearful student driver, assuming the role of "Class Cupid," or advising our class toward a momentous decision, you have been to us an inspiration and guide.

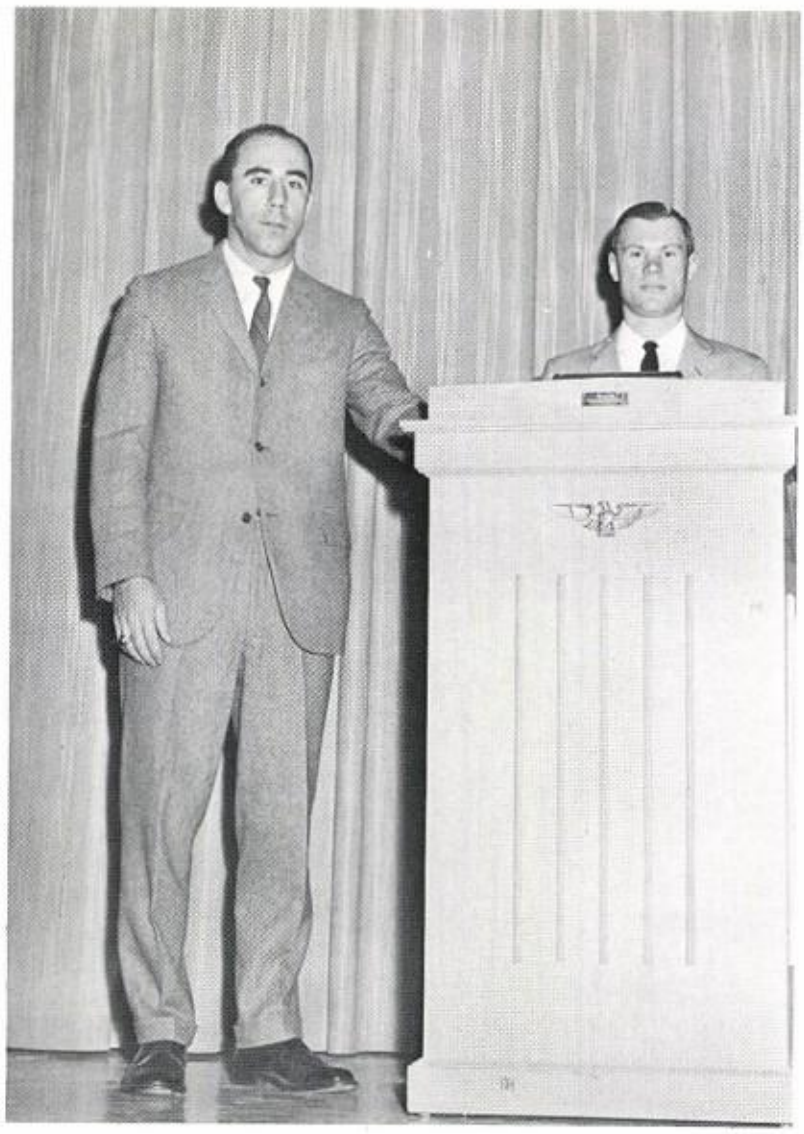
We will remember you fondly as we know you now—coach, teacher, advisor, and friend.

Thank you, Mr. Alston.

Gratefully,

The Class of 1966

Senior Officers



Relying on his four-year experience in the presidency, Larry Zane conducts a typical class meeting.

As Vice President, Bob Lerch confers with Advisor Alston on a subject of class interest.

Joe Centurione and Mr. Alston consult Mrs. Muhlbaier on the financial matters of the class.

Deep in concentration, Anita Rose Sarbello attends to the duties of class secretary.
